

## The Plan

- ♦ 10-Year Growth Plan
- ♦ Double in a Decade - Achieved by a 7 percent annual growth rate
- ♦ Set goals for every trackable program, event, data source, category, etc.
- ♦ Diligently and consistently track and measure our progress

## The Goal

- ♦ Double the United Pentecostal Church International in one decade
- ♦ Focus the entire church on evangelism
- ♦ Total church involvement; from the local church to the international body

## The Purpose

To fulfill the destiny of the end-time Apostolic Church by impacting the world for Jesus Christ.

## The Vision

To reach every culture, race, and religion with the Gospel of Jesus Christ.

## The Passion

To become the most powerful evangelistic force in the world!

## Here's What Every Church Can Do

Henry David Thoreau said, "In the long run men hit only what they aim at." Vision takes a purpose and turns it into specifics-what specifically we will do, when we will do it, and how we will accomplish it.

## 7 Percent Growth

Global Impact is a 10-year initiative that seeks to reach an attainable growth of 7 percent each year in every local church.

## Acts 2:38

Every local church is encouraged to set conversion goals annually and to track results; number repented; number water baptized; number Spirit-filled.

## Reporting

At the end of the year each district will request from every local church the following basic information: Average Sunday School attendance; number water baptized and Spirit-filled for the year.

“Successful programs, those that reach maximum effectiveness, encompass three essential elements-the program is simple, participatory, and measurable.”
